Posted on: 25/05/2011

In the weeks leading up to the Fair we will feature a series of lust-after pieces which will be for sale at this year's Masterpiece London. The pieces are among the best of the best in their field, extremely rare and sure to wow and inspire.

Lust List 1: An extravagant pair of turquoise and diamond earrings or oriental inspiration by Van Cleef & Arpels to be exhibited by [Epoque Fine Jewels](#).

[Epoque Fine Jewels](#) has a special preference for Art Deco pieces and those from the forties, fifties and sixties. This extravagant pair of turquoise and diamond earrings are mounted in gold and signed by Van Cleef & Arpels.
