A photograph of a long-haired cat wearing a tiara is the self-aware 25th-anniversary artist commission at **PAN Amsterdam**, the opulent annual art, antique and design fair, Nov. 20-27, 2011 at the **RAI Exhibition and Convention Centre**. Artist **Marie Cécile Thijs** photographed the cat in *Her Majesty* -- for sale in an edition of 10 for €3,450 -- as a reference to the glittering display of 25 tiaras and coronets the fair is exhibiting in honor of its anniversary.

The regal headpieces are on loan to the fair from a variety of private collectors and fair exhibitors, including **Epoque Fine Jewels**, which is also offering an 1890 pendant of **Venus** in a diamond shell, with a setting of rubies, sapphires, emeralds and diamonds.

Other highlights include a reclining nude by Dutch painter **H.J. Wolter**, consigned by the **Alfred H. Heineken** collection at **Theo Daatselaar**; a series of 25 etchings and paintings of the Amsterdam skyline by **Jan Korthals**, **Cornelis Vreedenburg** and **Sal Meijer**, at **Kunstzalen A. Vecht**; and an unused 1965 **Rietveld** chair that was sold to a Dutch architect who apparently decided he already had too much Rietveld furniture, and never took it out of the crate.

Entrance to the fair costs €15 per day or €40 for a week-long pass.
